Children in Need 2016:

Thank you for all of your generous donations to our Children in Need appeal, held last week. We are delighted to announce that we raised **£200** which has been sent on to the charity.

Cinema Trips:

Our pupils from Years 1-6 have visited a variety of local cinemas over the last two weeks to watching a range of films that is inspiring some wonderful writing from the children. I was very proud to hear such lovely compliments about the behaviour and manners displayed by our children. Thank you to the staff and volunteers who supported the trip and to Mr Kelly, Mr South and Mr Nelson for helping to transport the children to the cinemas.

Active Dads/Families Workshops:

We have been really impressed by the number of male relatives that have come in to school over the last few weeks to work with their children who are in our Nursery, Reception, Y1 and Y2 classes. They have taken part in art and craft making, fitness classes and healthy snack workshops.

Parent/Carer Survey Results 2016:

Thank you to our parents/carers who took the time to complete our annual questionnaire at our Parents' Evening in October. The results have been analysed and I am delighted to share the following comments with you:

- 100% of parents and carers are happy with the standard of teaching at Roby Park
- 100% of our families feel that their child is safe at Roby Park
- 96% of parents/carers say their child enjoys coming to school
- 100% of families believe that our rules and sanctions are fair
- 98% of parents and carers feel that they are made to feel welcome in school
- 98% of families feel that their child is making good progress in school
- 100% of parents and carers say that that they are kept well informed of school/class events and information
- 100% of families are happy with how their concerns are dealt with by school staff
- 98% of families are happy with the help and support their child receives in school

We received some wonderful, positive comments from the parents/carers who completed the surveys and these comments have been put up on display in the school entrance and on our website. The staff and governors are delighted with the responses which I personally feel reflect all of the hard work and support that we invest in our pupils and demonstrate what good relationships we have as home and school in order to achieve better outcomes for our children.

As well as receiving such positive feedback, the Senior Management Team have also been looking at some constructive points that we received in our surveys. These items will be addressed over the coming weeks via letter providing additional information or at our planned Parent Partnership meeting for January.

Christmas is coming...

As has been advertised for the past few weeks from the Christmas events poster that was sent home, tickets for our Early Years and KS1 plays will be on sale at the school office from Monday. Each child in Nursery, Reception, Year 1 and Year 2 has been allocated two tickets which can be purchased from Mrs Carroll and Mrs Rothwell. Any spare tickets will go on sale after all allocated tickets have been sold.

Christmas Bingo tickets are also available from the office as of Monday for £1.00. This covers the entrance fee, a drink and a raffle ticket for the prize draws per person whether it be an adult or child. Bingo books will be on sale on Thursday at a cost of 50p for 1 strip, £1.00 for 3 strips and £2.00 for 6 strips.

Our Christmas Fair is next Friday so if you are having a pre-Christmas clearout and you have some items that are in good condition then feel free to send them into school. All donations gratefully received. Please allow your child to bring in some money to spend at the Christmas Fair next Friday in a labelled wallet or purse.

Have a good weekend!
