### Y2 Class Assembly:

Parents and carers of our Y2 pupil are invited to join us on Tuesday 14<sup>th</sup> November at 2.20pm for this special Remembrance Day assembly.

### Y1 INSPIRE:

Mrs Cooke, Mrs Kinsella and our Y1 children will be hosting an INSPIRE workshop on Thursday 16<sup>th</sup> November at 9am to share their class work and some activities with their parents and carers - please join us if you can!

### The Book Bus:

Mrs McLoughlin has sent information home this week about The Big Book Bus visiting Roby Park on Wednesday 15<sup>th</sup> November. Pupils will get to visit the bus during the school day with their class and parents and carers are also welcome to visit the bus before and after school.

### School Councillors:

This week our new school councillors have been elected and will have their first meeting with Mr Hatton next week and tackle some of our school improvement actions.

### Children in Need:

On Friday 17<sup>th</sup> November, we will be supporting Children in Need. Pupils are asked to wear something spotty or any Children in Need merchandise, if they so wish. A donation of £1.00 is asked for which will be sent directly to the charity. The children will be provided with Pudsey cakes, fun activities linked to the charity in school and we will be raffling a giant Pudsey teddy bear on the day. Children can buy 5 raffle tickets (a strip) for 50p which will be entered into the prize draw. Raffle tickets will be on sale from Monday - Friday lunchtimes next week.

### Anti-Bullying Week 2017:

Next week is Anti-Bullying Week for all schools in the UK. The theme is 'All Different, All Equal'. We will be holding a special assembly for this for the children and they will discuss the themes via their class work over the course of the week.

### Paperless:

As a school, we are continuing our drive to become eco-friendly and develop better, quicker lines of communication with our families. Through several key events we have collected most parents/carers' email addresses however we still have a group of families who haven't provided us with one yet. We will send a reminder to those families next week. Over the course of this half term, we will be sending less letters/newsletters to reduce our paper trail and also save money. Please take note of the following:

- Newsletters will be emailed every Friday to the people who have provided email addresses.
- The newsletter is uploaded to our school website and Twitter every Friday.
- A handful of paper copies of the newsletter will be kept on display at the school office each and every week.
- Letters that contain whole school information will be emailed out or uploaded to the school website.
- Letters where a reply slip or specific information is required will still be sent home to help staff collate, organise and report information.

If you are unable to provide an email address or would like to request paper copies being sent home to you then please contact the school office. Our text service will continue to run as normal so please ensure you keep your telephone numbers up to date with the school office.

As a school, we are always looking at ways to improve our systems, take on board parental feedback and also move with the times! We will continue to provide the information as best we can but we will appreciate your support in helping us by checking your email inbox, the school website and our Twitter account on a more regular basis.

Many thanks!

*Have a lovely weekend,*
