KSSP seated volleyball

Well done to our Y5 team who went to play seated volleyball at Kirkby High School on Thursday. The children had a wonderful time and even won two games against Our Lady's and Plantation!

Ann Hillier

With a heavy heart, we share the news that sadly Ann passed away this week after being ill. Ann had a wonderful relationship with Roby Park and our families spanning over 40 years. We pass our condolences to her family.

H.S.A

Yesterday, I met with the H.S.A and we had a really positive meeting. We have agreed our first project for fundraising is to replenish playground equipment. The H.S.A will be working closely with the school council on this project. If you would like to join the H.S.A, our next meeting is 3pm on **11th February**.

Well done to all the children who come to school every day and on time.

All families should have received attendance letters this week, reporting on your child's attendance. For those families who have attendance less than 95%, your attendance panel meeting appointments are on your letters. The meetings are an opportunity for us to discuss any issues and work together to improve the situation. If you can not attend your meeting, please rearrange. If you do not attend, the meeting will go ahead and you will receive a copy of the action plan.

Meet our new house captains!

"I will be a good house captain because I will represent Neptune house as best I can and share my ideas for events we can compete in. I will also listen to others and try to help them get more house tokens." Charlie.

School website

Over the coming weeks, myself and Miss Worthington will be working on relaunching the website.

We will be redesigning the school page so it is a one stop shop for all your needs and it will celebrate and raise the profile of all the incredible things that are happening at Roby Park. Watch this space!

Parents' Suggestion Box

As of today, in the office, there is a suggestion box for parents/carers to contribute their ideas to. If there is anything you think we could be doing or something you would like to see improved, please complete a slip and pop it in the box.

Suggestions will be reviewed by SLT on a regular basis and school responses will be feedback through the school's newsletter.
