Well done to this week's winners. We are so proud of how well our children are learning and behaving. We have had many visitors in school over the past 2-3 weeks who comment on the wonderful conduct of our pupils.

SRE Consultation

On Thursday 6th June, at 3.10pm and 5pm, we will be holding parent consultations to view our new Sex and Relationships scheme of work which all children from Y1-6 will be covering, as part of the statutory national curriculum, during Growing Up week in Summer term 2. Year group content and resources will be available for parents to see and questions can be answered.

Celebrating the Queen's birthday—Monday 10th June

The Queen's birthday is on 8th June so to mark such a special occasion, we are going to have a birthday picnic in her honour! Children can come to school in their finest party clothes and a crown (homemade because they are the best!). We will have a picnic lunch on the playground. If your child has school dinners, they will receive a picnic box from school.

Punctualities are looking great with children getting to school on time. There are still a fair number of pupils who are coming in once their classes have gone into class so we can work on improving this.

I am pleased to announce lots of improved attendance letters went out this week, to congratulate our parents on working with school to make sure their children are attending more regularly. This will positively impact on your child's wellbeing.

Invites have gone out for families, with children who have attendance below 95% which is a concern, to attend a meeting with Mrs Lyon. You must attend these meetings or call for a phone consultation to discuss attendance matters and how we can work together to improve things. If you do not engage with us, the meeting will go ahead anyway; your absence will be recorded and the action plan will be sent to you anyway.

House Points

Venus are on a roll with another win this week!

| House points wb 10.05.19 | | | |
|--------------------------|---------|------|-------|
| Neptune | Jupiter | Mars | Venus |
| 19 | 16 | 12 | 20 |

All those children who have been landing in GOLD for their excellent behaviour and learning, and have achieved more than 12 GOLDS, will be invited to the GOLD party on Thursday!

Eco Committee Recycling Project

Roberts Recycling will be collecting your recycling bags on 24th May so please have them brought to school by 9am on the 24th.

For every ton of recycling we donate, they donate £500 to the school! This would be invaluable to go towards projects like our sensory room and bike/scooter shed.

Please fill your bags up and return to school in the last week of term. For further questions, please see Mrs Worthington.

WHAT WE WON'T ACCEPT

School Water Bottles

The H.S.A had a very productive meeting this week, planning ideas and events for the summer term and beyond. We really appreciate the support of our families and wider community who make the school a great place to be.

One of their ideas, is to sell personalised water bottles in Summer term 2. Bottles can be purchased for £3 and will be refillable in school.

Keep an eye out for a letter, coming soon, on how to order your personalised Roby Park water bottle and snack shack tokens. What a great way to stay sun safe and hydrated, whilst helping to save the environment!

Y6 SATs Breakfast

We will be putting a SATs breakfast on next week for Y6. We want all children present as it gives them the opportunity to have a delicious breakfast with friends before their tests.

Children then don't have to worry about busy mornings or being late for school.

We can also reassure them how brilliant they are; how well they will do and relieve any stress.

Monday—Thursday from 8am onwards

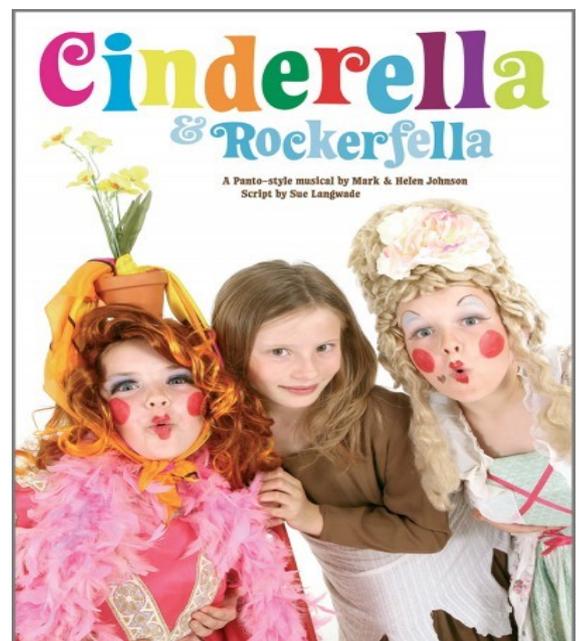

Cinderella Rockerfella

Today, Mrs Tucker and Mrs Allen held KS2 auditions for Cinderella Rockerfella and lots of our talented children performed.

Parts will be given out, as well as scripts, on Monday lunch time. Children can highlight their lines and need to start learning them. Rehearsals will begin the first week back after half term (5th June).

Children participating in the production **MUST** attend all after-school rehearsals (on Wednesdays) and they **MUST** be available for both productions.

Performance dates and times will be 3.30pm **and** 6.00pm on **Tuesday 16th July**.
