Liverpool Counts Mark Award: GOLD!

Yesterday, a maths assessor from Liverpool Maths Department came into school to look at the maths work that we do and how we apply this to all areas of school life. Led by Mrs McCormick, our maths leader in school, the children and staff wowed our visitor who agreed that the Maths provision at Roby Park was excellent. After considering our evidence, viewing pupils' working and seeing the staff teach maths so well - we were delighted to be awarded the GOLD LCQM Award!

House Champions:

Today our Spring Term House Champions - Venus - have been on a reward trip to Martin Mere Wetland Centre. The children and staff had a lovely day in the sunshine taking part in activities linked to nature and the outdoors. The staff commented on the wonderful behaviour of the children.

Summer Term Attendance Challenge:

Ask your child about our new attendance challenge that was launched today in school as we aim to reach our target of 96%. It is important that we reach as close to our target as possible!

Trip Permission Forms:

We have received guidance from the local authority that we do not need to send out requests for termly updates of information for pupils to go trips/visits. As it stands, we have permission forms for every child and all we ask is that you keep the school office up to date with changes of telephone number, address and medical conditions so we can keep our records up to date.

After School Clubs:

The after school clubs run by school staff and sports coaches begin next week. Your child will receive a confirmation letter if they have secured a place at a club.

Parent Partnership Meetings:

The meetings take place on Thursday 26th April at either 9am or 4.30pm in the Hall. I look forward to sharing an update on our progress with our school priorities and OFSTED actions with you all.
