

Roby Park Primary School

Power Maths Come and See Session – 25th September 2019

Y1
“I enjoyed the interaction in Maths and making them think.” “It was nice to see how he worked.”
Y2
“Very good!” “Very good. Interesting to see how the children learn and get to the answers.” “I thought that the children were brilliant and all concentrated really well.”
Y3
“Learned how to help my child with his Maths, the correct way at home, using the correct vocab. Very useful.” “Had a lovely time. Explained a lot so I have a better understanding.” “Very informative.”
Y4
“Very informative and enjoyable.” “It was good to see my son learning.” “A good lesson and In really enjoyed it.”
Y5
“Very good. A good explanation into what and how my child is learning. Also good to now techniques are used for more able children as well as children who struggle.” “I spent time with two children and it was a great lesson.”
