RECYCLE WEEK 2023

Recycle Week is in it's 20th year and is a celebration of recycling across the nation, galvanising the public into recycling more of the right things, more often.

WHY DOES RECYCLING MATTER?

- Litter and landfill can harm wildlife.
- Landfill can pollute water and earth.
- We only have so much material we can use.
- We don't have unlimited trees to use as materials or fuel.

HOW ARE ITEMS RECYCLED?

Recycling is sorted into glass, paper, plastic or metal

Materials are broken down into small parts

New things are made from the broken down pieces

WHAT CAN WE RECYCLE?

Glass

Plastic

Metal

Paper

Food

RECYCLE 4 SCHOOL LETS RECYCLE TOGETHER

Recycle 4 Schools is a free fundraising scheme that helps us raise money through textile recycling.

In October, as a school community we recycled 150kg of preloved clothing, raising £45 in the process.

WHAT CAN'T WE RECYCLE?

Tissues

Toothpaste
Tubes

Cotton Wool

Greasy
Containers

Plastic Toys

Bubble Wrap

Stickers &
Sellotape

Roby Park Eco Council

HOW DO YOU KNOW IF SOMETHING CAN BE RECYCLED?

These symbols mean it can usually be recycled.

Check the [Recycling Locator](#) to find out how to recycle it in your area.

THE BIG RECYCLING HUNT RECYCLE WEEK 2023

Share your learning with others

Selfie challenge

Take a photo showing one of the lost recyclables in the wrong place with a caption saying where it would rather be.

Share your photo to educate others!
Each month, all photos will be entered into a prize draw to win a £20 book token.
