

ROBY PARK PRIMARY SCHOOL

WEEKLY NEWSLETTER

WORLD BOOK DAY - THIS THURSDAY

World Book Day is this Thursday coming. Children are invited to come dressed as their favourite book character, wear their pyjamas, own clothes or stay in school uniform if they prefer.

Pupils will take part in a day of fun, cross-year activities and will have opportunities to mix with peers across the school.

This Friday, children in Reception–Y6 will enjoy Pinocchio workshops delivered by West End Musicals in Schools. Each class will work with a professional dancer to explore the timeless story through dance, with sessions tailored to each age group. At the end of the day, participating classes will come together to share their work in an abridged performance of the story, accompanied by original music and narration.

Working collaboratively, children will develop their physical literacy, creative expression, communication skills and gain a memorable performing experience.

Workshops are available to purchase on Arbor for £3.

BRITISH SCIENCE WEEK WORKSHOPS - WEDNESDAY 11TH MARCH

As part of British Science Week, children from YR to Y6 will take part in exciting, hands-on workshops delivered by Mad Science. Each session has been carefully matched to the children's curriculum to deepen their scientific understanding in a fun and memorable way.

Workshop themes:

- YR – Dinosaurs
- Y1 – Mad Mixtures
- Y2 – Water Works
- Y3 – Light Fantastic
- Y4 – Wacky Waves
- Y5 – Harnessing Heat
- Y6 – Glow Show

Workshops cost £3 per child and payment is now available on Arbor.

These sessions promise to spark curiosity, inspire young scientists and bring learning to life across the school.

SPRING PROGRESS MEETINGS - THIS WEDNESDAY & THURSDAY

We look forward to welcoming parents and carers to meet with class teachers for your child/ren's Spring Progress Meetings, taking place this Wednesday and Thursday from 3.15–7.30pm. These meetings are a valuable opportunity for a face-to-face conversation with your child's teacher, to hear how your child is thriving here at Roby Park and to discuss how we can work together to ensure every child continues to flourish.

Appointments can be booked via Arbor under the Activities → Clubs/Meetings section. Appointments go live at 5pm.

We look forward to welcoming you and continuing our strong partnership to support your child's success.

WORLD BOOK DAY WOODEN SPOON CHARACTER ACTIVITY

To celebrate World Book Day, we are inviting all children to take part in a fun and creative activity at home.

Each child has been given a wooden spoon, before the end of last half term, to turn into their favourite book character! They can use paint, fabric, paper, wool, felt or any other craft materials they like to decorate their spoon and bring a much-loved character to life. The more creative, the better!

Once completed, the spoons should be returned to school by the end of today, where they will be displayed as part of our World Book Day celebrations.

We can't wait to see all of the wonderful book characters the children create!

MOTHERS' DAY CELEBRATIONS - FRIDAY 13TH MARCH

We are looking forward to welcoming all the wonderful women in our children's lives to our special Mother's Day celebration assemblies on Friday 13th March. Please see the letter for photograph deadlines and performance times. Letters have been sent via Arbor. Click [here](#) to read.

EASTER HOLIDAY CAMP

Our Easter Holiday Camp is available to book on Arbor for £12.50, offering a great opportunity for children to stay active, busy and entertained over the break. Whether you need childcare or simply want to give your child a fun day of activities, the camp runs from 9am-3pm.

Children will need to bring a packed lunch, water bottle, raincoat and clothing suitable for the weather. They will enjoy a wide range of activities, including:

- Forest School
- Orienteering
- OPAL play
- Sports games
- Arts and crafts

Please note that places are only secured once payment has been received.

#MISSSCHOOL #MISSOUT

Ivy Y2 has loved learning about Judaism in RE this week while Poppy has really enjoyed her Computing day exploring how we learn safely online. Over in Y1, Iris would have been so disappointed to miss out on making smoothies in Design Technology - a perfect reminder of how much rich, hands-on learning happens every single day at Roby Park.

Regular attendance is vital for children's wellbeing, learning and friendships. When children are in school consistently, they stay connected to their peers, feel confident in their routines and don't miss out on the exciting experiences that build their skills and spark their interests. Every day offers something new, and we want every child to be part of it.

If you need support with your child's attendance, please don't hesitate to reach out - we are here to help and want every child to feel settled, happy and thriving in school.

STARS OF THE WEEK

Use your camera to scan the QR code to see who our wonderful stars of the week are. We are proud of our children demonstrating our values of: collaboration, creativity, resilience, reflectiveness, being inquisitive and motivated.

ATTENDANCE RECOGNITION WINNERS

Our attendance recognition winners this week were Y3, Y4 & Y5 were selected this week by Piper Y1, Evie Y4 & Rivah Y1.

Mr Wright said, “Well done to all of Y3 for being collaborative learners and supporting one another during maths and shared reading.”

Mr Stansfield said, “Well done to Leona for the way you have started at our school - making a great first impression!”

#MISSSCHOOL #MISSOUT

Miss Sutton said, “Well done for showing great resilience this week. When facing difficulties in creating a gear, most children didn't give but especially Mary, Lily M and Holly.”

Y5 landed on the Community Chest board, meaning they can select a prize of their own choosing. Y3 were also lucky and won a stem day!

REMARKABLE READERS

Well done to our remarkable readers this week. Children get to bring the remarkable reader bag home with a book, hot chocolate, bookmark and pencil.

Children also get to choose a book from our book vending machine.

Children can be selected as our remarkable reader winner by engaging in reading at home and in school. Who will win next week?
